Hunter Davisson
Craig White,

Re: The Strand Condos

Craig,

I wanted to write you a letter regarding the above project to thank you for letting us provide the crane service on the Strand Condos project.

It was such a pleasure to work with you and your crew. It is always reassuring to work with a company that holds up very high standards in safety and workmanship.

We look forward to working with you in the future on many safe and successful projects.

Sincerely,

Alex Clark
Vice President
